AWARDS & ACHIEVEMENTS

EnGen Class of 2019
Colorado Oil & Gas Association   2019
EnGen is a year long executive leadership program hosted by the Colorado Oil & Gas Association. EnGen features interaction with industry executives, panels of speakers regarding various industry topics, one field day, and one charity day. Completed a summit project regarding automation in the oil & gas industry; specifically digitization, artificial intelligence, and machine learning.

2018 Verdantix HSE Technology Innovation Award Winner
Oil & Gas Sector   May 2018
Awarded the Verdantix Health, Safety and Environmental (HSE) Technology Innovation Award in the Oil & Gas sector for our use of the DuPont LMS to reduce overdue training from 69% in 2013 to 0.14% as of October 1, 2018 (0.00% as of January 1 2020). The Verdantix HSE Innovation Awards recognize the people and organizations that are instrumental in launching successful, innovative technologies which facilitate management of the HSE function to deliver superior results. Kinder Morgan was one of 18 Oil & Gas companies in competition for the award and was unanimously selected as the award winner.

Speaker – 2018 DuPont Safety Forum
Virginia Beach, VA   August 2018
Main stage speaker at the 2018 DuPont Safety Forum. Presented 'Kinder Morgan & the DuPont LMS' - a case study explaining the relationship between KM and the DuPont LMS and how this relationship was leveraged to reduce overdue training from 69% in 2013 to 0.14% in July 2018.
